

Pre-Tour Briefing Dental Practice Space Search

Niceville · Miramar Beach · Santa Rosa Beach · Freeport · lease or purchase

Prepared for Dr. Elizabeth Hughes, DMD | Walton & Okaloosa County, FL

Options at a glance

Side by side in the order you drive them, south from Crestview through Niceville and the beach corridor, then back north to Freeport.

#	PROPERTY	AREA	SIZE	ASKING / SF	BASE / MO	OPEX / SF	FLOOR
01	Bluewater Bay, Suite 4536	Niceville	4,000 SF	\$22.00	\$7,333	\$6.75	Ground
02	Bluewater Bay, Suite 1507	Niceville	4,000 SF	\$22.00	\$7,333	\$9.03	Ground
03	10916 Emerald Coast Pkwy	Miramar Beach	3,000 SF x 2	\$30.00	Unlisted	Unlisted	One side legal
04	Baytowne Office, 215 Grand Blvd	Miramar Beach	3,830 SF	\$23.50	\$7,500	Unlisted	First
05	4935 West Highway 98	Santa Rosa Beach	3,600 SF	\$28.50	\$8,550	Unlisted	Ground
06	Corporate Woods, State Hwy 20	Freeport	4,482 SF	\$35.00	\$13,073	\$5.85	Two storey

Base monthly rent is the working total. Anything marked Unlisted is not published by the landlord or the listing service, and we confirm it directly before any comparison, because on your budget an unpriced expense is the difference between two spaces that look identical. Full-buildout spaces carry a medical or office fit-out benchmark of roughly \$180 a foot, and a dental fit-out typically runs higher.

The options 6 to tour

One numbered sequence, south from Crestview to Santa Rosa Beach and then north to Freeport on the way home, each with my notes and room to write during the tour.

01

Bluewater Bay Shopping Center, Suite 4536

Niceville, FL 32578

ADDRESS 4506-4546 Highway 20 East, Suite 4536, Niceville, FL 32578. Winn-Dixie anchored center on the Highway 20 corridor, east side of the center, retail facing.

The only space in this search already fit out as medical. A Winn-Dixie anchored grocery center of about 105,599 SF in the heart of the Niceville trade area, with over 33,000 vehicles a day on Highway 20, ample parking, and prominent pylon signage. For a startup the draw is a traffic base you do not have to build yourself and a suite that is not a conversion. At 4,000 SF it sits above your target band, so the question to put to the landlord is whether it will demise toward 3,400.

AVAILABLE 4,000 SF	CONTIGUOUS 4,000 SF
ASKING RATE \$22.00 /SF/yr	BASE RENT / MO \$7,333
OPERATING EXP. \$6.75 /SF	ALL IN \$28.75 /SF, about \$9,583 /mo
STRUCTURE Triple Net (NNN)	FLOOR Ground
CONDITION Medical space	AVAILABILITY Available

PROPERTY TYPE Grocery anchored center	CENTER SIZE 105,599 SF on 10.2 acres
TRAFFIC COUNT 33,000 vehicles per day	

ABOUT THE PROPERTY

- Already configured as medical space, so you are not converting retail.
- Grocery anchored co-tenancy with an established daily traffic base.
- Ample surface parking and prominent pylon signage available.
- Ground floor throughout, which suits an operatory layout.

CONFIRM BEFORE SIGNING

- Whether the landlord will demise the 4,000 SF toward your 2,400 to 3,400 band.
- What the existing medical fit-out actually includes, and what of it is usable for dental.
- Electrical service to the suite, 200 amp against 400 amp.
- Dedicated parking count against the shared load across the center.
- Plumbing capacity for operatories, vacuum and compressor lines.

NOTES

LISTING AGENT Bellcore Commercial, Harry Bell Jr. · SOURCE Crexi

Bluewater Bay Office Complex, Suite 1507

Niceville, FL 32578

ADDRESS 1501 Merchants Way, Suite 1507, Niceville, FL 32578. Office complex behind the Highway 20 shopping center, office facing, to the rear.

The second Bluewater Bay space, and worth understanding as a separate building rather than another suite in the same strip. It sits in the office complex on Merchants Way behind the shopping center, so it shares the center's parking and signage but not its storefront visibility. Same 4,000 SF and the same \$22.00 asking rate as the medical suite, but the operating expenses are materially higher at \$9.03 a foot, which makes it the more expensive of the two on your budget despite the identical headline rate.

AVAILABLE 4,000 SF	CONTIGUOUS 4,000 SF
ASKING RATE \$22.00 /SF/yr	BASE RENT / MO \$7,333
OPERATING EXP. \$9.03 /SF	ALL IN \$31.03 /SF, about \$10,343 /mo
STRUCTURE Triple Net (NNN)	FLOOR Ground
CONDITION Office space	AVAILABILITY Available, currently occupied
PROPERTY TYPE Office complex	TRAFFIC COUNT 33,000 vehicles per day on Highway 20

ABOUT THE PROPERTY

- Ground floor, in the office complex rather than the retail strip.
- Shares the grocery anchored center's parking and pylon signage.
- Same footprint as the medical suite, at a higher all in cost.

CONFIRM BEFORE SIGNING

- Access for the tour, since the suite is currently occupied.
- What drives the \$9.03 operating expense against \$6.75 on the retail side.
- Whether an office shell can take operatory plumbing without slab work.
- Signage rights, given the suite does not face Highway 20.
- Electrical service to the suite.

03

10916 Emerald Coast Parkway

Miramar Beach, FL 32550

ADDRESS 10916 Emerald Coast Parkway, Miramar Beach, FL 32550. Highway 98 corridor, Miramar Beach.

No photograph exists for this one. It is off market, never published on CoStar, Crexi, ECAR, or Moody's, and it came to us directly. We will see it for the first time together on the tour.

An off market opportunity on the Highway 98 corridor, not published on any listing service, brought to us directly. Two units of roughly 3,000 SF each, and one side is now in the legal phase with another party, which is further along than a negotiation and means you should plan on the remaining unit rather than the pair. That single unit sits inside your band on its own. Everything else about it, the rate, the expenses, the floor and the condition, is unpublished and has to come straight from the landlord. We are

including it because an unlisted space is a space you are not bidding against the whole market for, and that is worth a look even under time pressure.

AVAILABLE Two units, about 3,000 SF each	STATUS One side in legal phase
REALISTICALLY AVAILABLE One unit, about 3,000 SF	ASKING RATE \$30.00 /SF/yr
BASE RENT / MO Unlisted	OPERATING EXP. Unlisted
STRUCTURE Unlisted	FLOOR Unlisted
CONDITION Unlisted	LISTING STATUS Not listed on any service

ABOUT THE PROPERTY

- Off market, not published on CoStar, Crexi, ECAR, or Moody's.
- One of the two units is in the legal phase with another party.
- The remaining unit is about 3,000 SF, which lands inside your band on its own.
- Highway 98 corridor position in Miramar Beach.

CONFIRM BEFORE SIGNING

- How far along the legal phase is on the other side, and whether it can still fall through.
- Everything on the fact grid above, none of which is published.
- Whether the remaining unit can be taken on its own, and on what terms.
- Floor level, parking, and electrical service.
- Whether dental use is permitted.

NOTES

LISTING AGENT Direct to landlord · SOURCE Off market

Baytowne Office, 215 Grand Boulevard, Suite 102

Miramar Beach, FL 32550

ADDRESS 215 Grand Boulevard, Suite 102, Miramar Beach, FL 32550. Grand Boulevard lifestyle center at the Sandestin gate, west end of the center.

The strongest address on the tour. Grand Boulevard is a mixed use lifestyle center by the Sandestin gate with heavy daytime traffic and a professional setting that does a lot of work for a new practice. This is the ground floor suite at the west end of the center with signage, at the bottom of the range Grand Boulevard is asking. It comes as buildout space, so the fit-out is a real cost, and it does not deliver until February 2027, which makes your target opening date the deciding question rather than the rent.

AVAILABLE 3,830 SF	CONTIGUOUS 3,830 SF
ASKING RATE \$23.50 /SF/yr	BASE RENT / MO \$7,500
OPERATING EXP. Unlisted	FLOOR First floor
CONDITION Buildout space	AVAILABLE FROM 1 February 2027
PROPERTY TYPE Mixed use lifestyle center	POSITION West end of center, with signage

ABOUT THE PROPERTY

- Ground floor, at the top of your size band.
- Signage at the west end of the center.
- Mixed use lifestyle center with strong daytime traffic.
- Bottom of the rate range across the Grand Boulevard suites.

CONFIRM BEFORE SIGNING

- Operating expenses, which are unpublished and matter at this address.
- The fit-out allowance, since the space is delivered for buildout.
- Whether February 2027 works against your opening date.
- Electrical service, 200 amp against 400 amp at this size.
- Parking allocation in a center with heavy retail demand.

NOTES

05

4935 West Highway 98

Santa Rosa Beach, FL 32459

ADDRESS 4935 West Highway 98, Santa Rosa Beach, FL 32459. Premier retail and flex complex delivering on Highway 98.

The only Santa Rosa Beach space on the tour. A Class A retail, showroom, and flex complex now delivering on Highway 98, with 24 foot ceilings, roll-up doors, and coastal

finishes. The single 3,600 SF flex unit lists at \$28.50 a foot, and the landlord is offering five months free rent on flex spaces, which is real leverage on a startup budget. Signed tenants already include a medical spa, a fitness concept, and a coffee shop, so the co-tenancy leans service and wellness rather than trade. Some units carry a 730 SF second floor office mezzanine, which is worth asking about as staff or admin space above a ground floor clinical layout.

AVAILABLE 3,600 SF	CONTIGUOUS 3,600 SF
ASKING RATE \$28.50 /SF/yr	BASE RENT / MO \$8,550
OPERATING EXP. Unlisted	STRUCTURE Triple Net (NNN)
FLOOR Ground, with optional 730 SF mezzanine	CONDITION Under construction
PROPERTY TYPE Neighborhood center / flex	BUILDING CLASS A
YEAR BUILT 2025	BUILDING SIZE 33,508 SF
INCENTIVE Five months free rent offered on flex space	

ABOUT THE PROPERTY

- 24 foot ceilings and coastal finishes, Class A.
- Optional 730 SF second floor office mezzanine.
- Co-tenancy includes a medical spa, a fitness concept, and a coffee shop.
- Five months free rent currently offered on flex spaces.

CONFIRM BEFORE SIGNING

- Parking, which needs to be worked through with the landlord and is the open item here.
- Operating expenses, unpublished.
- The delivery date, since the listing still reads under construction.
- Whether the shell can still be altered for operatory plumbing at this stage.
- Whether the five months free applies to a medical use and to this unit.

NOTES

LISTING AGENT Unlisted · SOURCE CoStar

06

Corporate Woods, State Highway 20

Freeport, FL 32439

ADDRESS State Highway 20, Freeport, FL 32439. Parcel 16-1S-19-23000-001-0002.
Corporate Woods, north side of Highway 20, about 265 feet west of Blueberry Road.

We set this one aside in the first pass, and it has come back. The objection was suite size: the units run 568 and 747 SF, so reaching your band meant combining six or more of them. Building A is exactly that, six 747 SF units at 4,482 SF, and the campus is offered by the unit, the floor, or the whole building, to lease or to buy. That makes it the only space on this tour where you could own the real estate instead of renting it. It is Class A construction built for medical and professional use, not a conversion, with 102 parking spaces across the campus at about 4.5 per 1,000 SF. Two costs to weigh against that. At \$35.00 a foot plus \$5.85 in common area charges it is \$40.85 all in, which on the full building is about \$15,257 a month and the most expensive monthly figure in this search by a wide margin. And it is under development, with Phase 1 not delivering until late 2026 or early 2027, so this is the option you cannot move into next year.

AVAILABLE 4,482 SF, Building A	CONTIGUOUS 4,482 SF
ASKING RATE \$35.00 /SF/yr	BASE RENT / MO \$13,073

OPERATING EXP. \$5.85 /SF (CAM)	ALL IN \$40.85 /SF, about \$15,257 /mo
STRUCTURE Lease or purchase	PURCHASE PRICE \$395,000 listed
FLOOR Two storey, elevator served	CONDITION Cool white box shell
AVAILABLE FROM Phase 1, late 2026 to early 2027	PARKING 102 spaces, about 4.5 per 1,000 SF
SUITE SIZES 568 and 747 SF	YEAR BUILT 2026
PROPERTY TYPE Medical / Professional, Class A	ZONING Commercial

ABOUT THE PROPERTY

- Purpose-built Class A medical and professional campus, not a conversion.
- Building A is six 747 SF units on two floors, three per floor, which is the 4,482 SF.
- Sold or leased by the unit, the full floor, or the entire building.
- Five buildings and about 22,534 SF at full build, on roughly 2.2 acres.
- 102 parking spaces campus wide, about 4.5 per 1,000 SF.
- Delivered as a cool white box shell, so the interior fit-out is yours.

CONFIRM BEFORE SIGNING

- What the \$395,000 buys. The sale listing gives building size as 4,482 SF and unit size as 568 SF in the same record, so the price could be a single unit or the building.
- Whether the \$5.85 common area charge is capped, and what it covers on a shell building.
- Whether a dental fit-out is permitted and designed for, including operatory plumbing and vacuum lines.
- What a cool white box excludes, since the entire interior is your cost.
- The Phase 1 delivery date in writing, and what waiting for it costs you.
- Whether the six units in Building A can be taken as one space with no demising walls.
- Ground floor access and equipment delivery, since the building is two storeys.
- Whether buying changes the operating expense, and what the condominium documents require.

NOTES

To confirm on your side

Your operatory count

Your target of 2,400 to 3,400 SF implies six to eight operatories at the 400 SF per operatory rule. Whether you are opening with six or building for eight changes which of these spaces work and what electrical service we ask for.

Your monthly ceiling

We have deliberately not chased the number from your lender, because an expensive building is a negotiation rather than a disqualification. Knowing the ceiling lets us decide where to push hardest.

Whether sedation is in the plan

If it is, the building likely needs to be sprinklered and a medical gas room may need direct outside ventilation. That is worth knowing before we shortlist.

Your open-by date

Two of these deliver on a schedule rather than immediately. Baytowne Office is available 1 February 2027 and 4935 is still under construction, so your target opening decides whether they stay on the list.

Whether the tour starts from Crestview

The drive order in this packet assumes it does. If you are coming from somewhere else the sequence changes, and so does the day.
